Meet parishioners in informal settings

## ***There are no prerequisites nor required commitments!***

All skill levels are welcome as there are a variety of jobs to fill and we all have something to learn from each other – even if it is not directly related to cooking. You do not need to commit to assisting with all events, just participate when you can.

## ***What do we do?***

Prepare and serve food with love to parishioners for periodic Parish Brunches and special events such as Bishop Receptions, 4<sup>th</sup> of July Picnics, and Thanksgiving Dinners. We also help facilitate the Lenten Soup Suppers. This year in preparation for Christmas Eve dinner we plan to bake and decorate sugar cookies and make our own tamales.

## ***Come, learn with us, and join the fun!***
